

REMARKS/ARGUMENTS

Applicant's attorney kindly thanks the Examiner, Mr. Emmanuel S. Luk, for the time spent at the interview held on August 24, 2006, with the inventor Mr. Malcolm Barry James, Applicant's attorney, the undersigned, and Mr. Robert Paddington, Mr. James' associate.

This Amendment is being submitted with an endeavor to place the Application into condition for allowance, and the claims were amended based on the understanding of what took place at the interview. If there are any points outstanding, the Examiner is respectfully asked to call Applicant's attorney in order to do what is necessary to place the Application into condition for allowance.

If any fees are needed, please charge them to our Deposit Account 50-3108.

As agreed to with the Examiner, the claims are all being submitted as new claims to avoid the numerous changes and amendments which would have to take place.

To assist the Examiner in relating the new claims to the closest claims previously submitted in the previous amendment, the following table is provided with the previous claims listed on the left and the "NEW" claims listed on the right. If there is no corresponding claim, it is so indicated.

Mold System Claims

	18 – 46
	19 – 47
